

**2010**

Dear LORD and Father, worthy of all praise,  
Hear us now as we pause amidst our busy days.  
We're here to dine, to drink and give our ear  
To tales of derring do about the Buccaneer.  
To the boys who flew the Banana Jet,  
It certainly was the best they had yet.  
But as we attack the food on our plate,  
Help us remember - Best of the best is 208.

Amen.
