

2014

O LORD, last year, the outlook was bleaker –
We'd only just learned that we had no speaker.
We know this year things are that much better,
You've planned it down to the very last letter –
 We're here to learn of times at Valley
 Where 208 has done well to rally.
Now one more time as we celebrate,
 Bless all those on 208.

Amen.
